Emerald Show Society

Containers for change collection opportunity

All successful tenders for the above roles will have the opportunity to supply their own container bins on the show site. Groups will take full responsibility for the bins, delivery, collection, sorting and retain all refunds.

- Must be steal mesh as this will deter contaminant items being thrown into collection bins.
- Must be lockable and suitably signed with community group name and eligible containers
- Must be delivered and placed on site by 5pm Monday 31st May 20278
- Must be checked and emptied before 7:30am Wednesday 2nd June 2027
- Must be removed from site by 5pm Thursday 3rd June 2027

Position of bins will be allocated by order of application

3 in bar area

2 near grandstand

1 in family corner

2 along food van alley

Please indicate in your tender application how many bins you are able to supply as this tender may be fulfilled by multiple groups.
