Build Myself A Roller Coaster

by Jody Weissler

I am going to build myself a roller coaster

It will be grandest in our nation.

The type of twister you will all visit when you go on a family vacation.

I am going to build myself a roller coaster.
It will have 16 loops and 20 hills.
Get ready for the coaster of the century,
A ride will all the thrills.

So bring me your extra wood,
a hammer, bottled water and some nails.
I will work each day after school
building each and every rail.

I will build a little bit each week.
My progress will be just fine.
A project of this proportion,
will be done when I am 99!
